

## MINISTRY UPDATE & PRAYER INSERT

### MINISTRY TITLE - **LEADERSHIP**

#### What's Happening

- Leadership across the church continues though the summer, even if there are fewer church meetings!
- Areas seeing some change include:
  - Discipleship (some changes around Growth Groups)
  - Youth (the search for a Youth Minister continues)
  - Friday Feast (we wish to develop the leadership team)
  - Outreach (plans for Harvest & Alpha are developing)
- This year's Global Leadership Summit offering Leadership training for all is less than 2 months away (October 16 & 17)

#### Prayer Points – Please pray for

- Forthcoming events (Harvest, Alpha, GLS)
- Additional Growth Group leaders and venues as the church continues to grow
- The appointment of God's person as youth minister
- The planning for the GLS in October
- Guidance as to the appointment of an additional half-time assistant minister (we did not think it right to appoint anyone after the last round of applications & interviews)
- God's leadership gift (Romans 12:8) upon all our leaders, whether in Growth Groups, Children's & Youth Ministry Groups, Ministry Heads or in any other ministry or anywhere else people lead
- God's continued Vision for St. Paul's Church to be the Church He is calling us to be.
