

MINISTRY UPDATE & PRAYER INSERT

MINISTRY TITLE - Centre

What's Happening

- The Centre is still busy, providing a locus for the Island's community in matters both spiritual and secular. From church meetings and prayer and study groups to those attending the self-help groups such as AA and Narcotics Anonymous.
- Many States meetings are held here as well, and decisions made by them as to the good governance of our Island.

What we need

- Your forbearance when the car park is full.
- Your suggestions for use of the Centre, if you have an idea for something you wish to do, from a carpet bowls tournament to a quiz night then come and see us.

Prayer Points – Please pray for

- The self-help groups.
- The staff for all that they do.
- The committee for the decisions that they make, especially in our review of the maintenance and renovation of the building.
- The States of Jersey and their ministers for decisions made here.
- The WTC students, studying Kingdom Theology. There are those who are continuing on their course, and also those who are starting their journey of exploration with WTC.
