

## MINISTRY UPDATE & PRAYER INSERT

### MINISTRY TITLE - **YOUTH**

#### What's Happening

- Mid week youth group has just begun again.
- We are looking forward to the many inter-church worship and social events that are coming up over the coming months (see Fran for a timetable of dates!)

#### What we need

- Continued encouragement and prayer for our young people as they navigate the challenges of youth and the joy of a life lived with Jesus - that they would keep Him their top priority even when they have many other things happening at home and at school.

#### Prayer Points – Please pray for

- Our future but as of yet unknown new Youth Minister; we have had the interviews this weekend and we (leaders and youth!) were really excited to meet the applicants.
- We pray that God's will be done in their lives and the life of our youth group moving forwards.
- We also thank God for all that He plans to do in and through our amazing young people at St Paul's!
- Please also pray that our older youth would feel empowered to explore and step into their own areas of leadership and ministry in our church family.
