

MINISTRY UPDATE & PRAYER INSERT

MINISTRY TITLE - **PASTORAL**

What's Happening

- Lots of movement - folk in and out of hospital. Folk moving to different residential homes
- Bereavement - Win Stead
- New baby—the Donald family
- Rotas, lifts, visits, flowers, home communions etc ongoing

What we need

- More visitors to help with regular monthly visits as we now have more folk living in residential homes who are unable to attend church
- Help with lifts to and from Wednesday Special

Prayer Points – Please pray for

- Paul and Sonia back from holiday to a very busy time in the fellowship
- The families who have recently had the joy of welcoming a new baby, for sleep and good relationships especially with siblings
- Older members of the congregation who are becoming increasingly frail
- Everyone awaiting for or receiving treatment
- 2 ladies who this week have moved into Residential/Nursing Homes, that they would settle in well and soon feel at home.

Dear St Paul's,
 The Kings Chamber Orchestra are in the process of modernising and updating our IT. Next year we will launch a new website and more CD's globally. We would be very glad to have a fresh email (even if you have done it before) from anyone in the fellowship who would like to be on either or both of the following:

1. KCO General Mailing List (concert details)
2. KCO General Prayer List (we tell you what we need prayer for)

As we are coming up to a concert tour, we value your interest and prayers. Do take a moment to respond and be sure that you let us know your full name, which list(s) you want to be on and that you are at St Paul's.

Please email us at kcooffice@gmail.com

For those who are new to St. Paul's and don't know KCO, it is a professional London Chamber Orchestra which is uniquely also a Christian community and which was founded by and is run by Gerard Le Feuvre, a member of St Paul's.
