

MINISTRY UPDATE & PRAYER INSERT

MINISTRY TITLE — Treasury

What we need

- It would be very helpful if we could have more people to help count the money after the Sunday Services when our regular team are unavailable. There must always be two people at a time to do this. Please speak to Suzanne if interested.
- Please consider when you give above £ 50 each time filling out a tax form so that St Pauls may recover the money back.
- Now that we are employing a Youth Worker could I ask you all to re-consider the tithe you give each week/month/year.

Prayer Points

- Thank the Lord for His wonderful provision for this Church. Every Council meeting we are amazed at how generous His people are here at St Pauls.
- Thank the Lord for all those who regularly help in this ministry for without them it would be more work for me.
- Thank the Lord for Steve Wilderspin for all the work he does with the accounts which are looking great and more understandable.
- Please pray for me (Suzanne) especially during the next three months while I balance the Office work at St Pauls with the Treasury work I do at home.
