

MINISTRY UPDATE & PRAYER INSERT

Children & Family Ministry

What's Happening:

The Children's Ministry is a busy place to be with so much happening, new families, some leaders moving around groups and some brand new events planned for the year!

We have kicked off this year with a focus on the children having a real say in what is going on in Sparklers and Sparks and have seen them getting involved in planning outreach for the year, to coming up with fellowship ideas and creating their own rules and instructions for the groups.

Tiny Tot's has a bit of a new look/layout and a new Role Play Corner, that changes; we have seen The Play Dough corner and The Pizza Kitchen so far. We love seeing the adults and children engaging in play within the church prior to song and story time.

We welcome more babies! And subsequently Dawn Thomas into the role of New Baby Meal Co-ordinator, so if you know someone who is expecting in the church do get them to sign up to receive the meals after the baby is born.

What we need

We are growing rapidly and therefore really need to recruit more helpers and leaders within all areas of The Children's Ministry. If you have a passion for teaching and reaching children with the word and love of God and want to find out more, speak to Sophie.

People to make meals for families with a new baby. Speak to Dawn or the office.

Prayer Points – Please pray for...

...the different environments that we hold groups in, space, room, layout for the best use of space and God's wisdom and Grace in this.

Please pray for the children, families and team at St Paul's.

Please pray God's Blessing over the schools we visit; Springfield, Grand Vaux and Helvetia House School.

Please prayer for God's will, Kingdom and house to be built within this Ministry.
