

MINISTRY UPDATE & PRAYER INSERT

DISCIPLESHIP

What's Happened/Happening:

Thanks to Rey Guachmin for producing the Growth Group video which was well received. If you want to borrow it please speak to Norman.

St Brelade - new Growth Group has started on Thursday evenings.
Contact Robin Agnes 077 771131 or George Machan 07797 761065

St Peter: a home has been offered but requires a leader and members.

Requests received about starting new Growth Groups at:-
The Jersey Cheshire Home on a Wednesday morning for about an hour.
Communicare, St Brelade, on a Monday between 1 & 3pm

Prayer Points – Please pray for:

More people to be encouraged by the Growth Group video, and have a desire to join a group to help them grow deeper in their faith.

Robin and George as they lead the new group in St Brelade – that they would be encouraged and blessed in their leadership roles.

Those God is calling to help start the requested new groups at the Jersey Cheshire Home and Communicare, that they offer to serve.

People to be willing to explore groups until they find one which they feel God has chosen for them, and helps them in their spiritual growth.

Encouragement for leaders and hosts, that they would feel valued by the Lord, and excited about the spiritual growth in their group.

More people to fill the available spaces in the varied existing groups. Is God prompting you to explore how you can deepen your faith?
