

MINISTRY UPDATE & PRAYER INSERT

OUTREACH

Prayer Points –

Think for a moment about someone you have contact with who is not a Christian, family member, friend, work colleague. Would you commit to praying for that person to become a christian in the next few months. Ask God to show you ways by which you can be a part of that process.

Thank God for all the different events that happen at St Pauls and pray that through them people would grow in their faith or begin a journey of coming to faith.

Lonliness is one of the main problems of the 21st century. It affects all ages. Ask God to give you eyes to see people who are affected by this, and the best way for you to help them.

Pray that as a church we would be always welcoming of new people and as individuals would step out of the comfort zone and speak with newcomers.

The next Explore service is in June, pray that there will be opportunities for you to ask someone to this event.

As we engage in the various forms of outreach, it is vital that it is done with prayerful support please pray for Gods protection over events and individuals.

As we look ahead please pray for wisdom to know what we should be doing, what would God have us do to further His kingdom, pray that we would honour Him in all that we do.
