

## MINISTRY UPDATE & PRAYER INSERT

### MINISTRY TITLE - LEADERSHIP

#### What's Happening

- Thank God for the appointment of Dianne Maguire as our new Pastoral Worker
- Possible development above the upper room to create church office space for our staff
- Paul is going on a three month sabbatical from mid-July
- We are thankful to the Lord that Church attendance is growing
- 2017 sees the Bicentenary of the first service at St. Paul's Church (in the original building) – we plan to celebrate that!

#### Prayer Points – Please pray for

- Thankfulness for a great leadership team, and the appointment of Dianne as the Pastoral Worker – please pray for her as she starts employment in August.
- The office development design is close to completion. Please pray this would be finished soon and that we would have a guide price on the cost of the work to present to the fellowship for a pledge day before the end of June.
- Paul's sabbatical is intended to be, as the Bishop has written, a time of (1) Spiritual refreshment; (2) Personal & Physical refreshment i.e. a good holiday; and (3) Some study to help develop ongoing ministry. Please pray it would be so.
- As we grow please pray that all would know they are a part of the community. Pray we would offer appropriate spiritual and pastoral support though each other, growth groups and our ministry & leadership team, so that each one knows they belong to God's family.
- Pray as we plan for our bicentenary that it would be outward looking, both locally and with our overseas mission partners, and for God's guidance as to what we do.
- God's continued Vision for St. Paul's Church to be the Church He is calling us to be.
