

**MINISTRY UPDATE & PRAYER INSERT**  
**July 2016**

**MINISTRY TITLE - (Audio and Visual).**

**What's News:** I Nigel Fowler said to the Lord some 25 years ago now, that when I get to sixty I will give up the P.A. leadership and let the younger ones take over. Well that time has now come, so I am going to disappear into the background so Rowan Spencer can take the lead for as long as he is willing and able to do so. By Gods amazing timing, I also received an email from Adam Smith recently to say he wants to be part of the P.A. team again after a long absence for paternity leave. James Spackman has also stepped up and is willing to do an extra shift in the evenings. We have also had an offer of help from another younger one in the congregation. Thank You Lord.

**What we need:**

We are always in need of more help to keep the load light, so if you love (tech serving) then speak to: Rowan Spencer P.A. or James Vasselin for Visual.

**Please pray for:** There is always a need to pray for us. Especially when something goes wrong and people naturally look back at us even if it's not our fault. For Rowan Spencer, James Spackman, Adam Smith and myself Nigel Fowler on P.A. James Vasselin and the team, could this be you, on the laptop. For continued commitment, wisdom and a passion to serve Gods people. Thank You.
