

MINISTRY UPDATE & PRAYER INSERT

POSTER MAKING

What's Happening – praise God for:

- Feedback from many different people about the posters that have been up recently – thank you all!
- The request (in the last prayer insert) for help with sorting the posters was wonderfully answered, and we've made great progress, though the job is not quite finished yet.

What we need

- After a surge of interest and some new people making posters, we're back to the old problem of **finding times to get together**, particularly as Yvonne has been away a lot this year.
- Do you have any Christian contacts in South East England who might be interested in visiting **the Christian Resources Exhibition in Maidstone in October**? We can provide an email link for free tickets, which can then be forwarded to other contacts. Yvonne Coppock, Jill Allnutt and Annie Pope will be promoting the idea of poster-making at the exhibition, and we want lots of visitors, to make the exhibition a success! For more info contact Yvonne at ycoppock@localdial.com.

Prayer Points – please pray for

- For Yvonne to find time to organise some **poster workshops** in the midst of a busy schedule.
- Please pray for us as we prepare for **CRE in Maidstone** – that we'll find novel and intriguing ways of showing that poster-making can be a useful outreach tool in all sorts of churches, as well as being fun to do and a way of developing artistic talents.
- The logistics of getting to Maidstone with all the kit is also proving a bit complicated!
