

YOUTH

What's Happened/Happening:

- Back to School pool party on Wednesday 14th September. (Speak to Heather Morton if interested)
- Wednesday's back into the centre after an incredible summer of beach nights at St. Ouen.
- The sports hall at the centre being transformed into a more youth friendly venue with a new paint job, lights and blinds.

Prayer Points – Please pray for:

1. Give thanks for the summer beach nights.
2. Pray for the Sports hall at the centre. That God would guide us as a team in the best way to use the updated room.
3. Bridging the gap between the young people I meet on the street or in schools to inviting them to church or Wednesday (discipleship).
4. The group that went to Soul Survivor, may what they have heard, learnt and acknowledged be firmly in their hearts and they had back to school and into difficult situations.
5. Youth team. Continue to pray for a unity and friendship between team members and new people would come forward with an interest to being on team.
