

MINISTRY UPDATE & PRAYER INSERT
November 2016

MINISTRY TITLE - (Audio and Visual).

What's News: Over the last few months I (Rowan Spencer) have been appointed as leader over this ministry and have been coming to terms with the duties and responsibilities that it holds. There are various IT and Audio initiatives that have been launched throughout the church with the upcoming renovation in addition to potential replacements and upgrades that can be made to our gear in the church. Hopefully in time the right solutions can be found and we can move forward with this to better serve the Church. The P.A. team we have (Nigel Fowler, Adam Smith, James Spackman and I) have been working hard over the summer months to cover various Church events other than the normal Sunday services and the addition of some members of the team being able to take on more services during the month, evening out the workload which was a definite answer to prayer over the last few months.

What we need:

We are always in need of more help to keep the load light, so if you feel called to this ministry or are interested please do not hesitate to speak to: Rowan Spencer P.A. or James Vasselin for Visual.

Please pray for: There is always a need to pray for us. For scheduling and when things go wrong and we have to be quick on our feet! For Nigel Fowler, James Spackman, Adam Smith and myself on P.A. James Vasselin and the team. For continued commitment, wisdom and a passion to serve Gods people. Please also pray for God's guidance with the aforementioned initiatives, that those involved and advising will be able to look at any issues or requirements clearly and suitable solutions will be found where needed. Thank You.
