

## MINISTRY UPDATE & PRAYER INSERT

MINISTRY TITLE: **DISCIPLINE**

### ***What's Happened/Happening***

Growth Groups have now resumed after the summer holidays and are meeting on a regular basis.

Rejoice that one group has grown so large it needs to form two groups.

Grouville: a home has been offered but requires a leader and members.

The new group at the Jersey Cheshire Home is due to begin in January.

Many attending the Alpha course will want to join a group.

There are still groups which need and would welcome new members.

### ***Prayer Points – please pray for:***

All members in Growth Groups to commit fully and grow in their faith, and for leaders and hosts to feel encouraged.

For the successful transition of the formation of 1 group into 2!!

That the Grouville home would be filled and used for the glory of God.

For Jean Renouf as she prepares to lead the group at Cheshire Home.

Those on the Alpha course to find the right group to meet their needs.

Those still not in a Growth Group, that they will be prompted by the Holy Spirit to seek guidance as to which group they should join.
